

Things To Do **BEFORE** Moving Day

Send Change of Address Information

- Post Office - provide them with Forwarding Address
- Charge Accounts/Credit Cards ... also remembering the ones you auto-pay online
- Magazine Subscriptions - requires several weeks notice to make a change
- Friends and Relatives - most effective? Cards and emails

Banking and Insurance

- Moving to a new city? Arrange to have your funds transferred; for check-cashing in new city; establish credit references
- Notify insurance company of new location for coverages on all policies (Life, Health, Fire & Auto)

Utility Companies and Delivery Services

- Notify gas, light, water, telephone, garbage and newspaper of last day (request refunds on any deposits made)

Medical, Dental, Prescription Histories

- If you're leaving town, ask your Doctor and Dentist for referrals
- Transfer prescriptions, eyeglasses, X-rays and medical records

Useful Tips and Reminders

- Empty your freezer; plan how to use or discard that food
- Defrost freezer and clean refrigerator. Add charcoal to dispel odors
- Remember arrangements for TV and antenna
- Clean rugs or clothing before moving; have them "moving-wrapped"
- Check with your Moving Counselor regarding: insurance coverage, packing and unpacking labor, arrival day, various shipping papers, methods and time of expected payment
- Ask about any new local regulations for pets: licenses, vaccinations, tags. etc.
- Remember to plan for special care needs of infants and pets
